RCP Wedding Packages

The RCP provides a spectacular backdrop for your big day with contrasting old and new spaces as well as a beautiful private medicinal garden for those once in a lifetime photographs.

With its striking modernist architecture, marble entrance and flying staircase, to the open galleries, 17th century oak panelled Censors' room and book lined Dorchester Library, it provides the perfect setting to create lasting memories.

Food is our passion and our extensive menus provide everything you need, from interactive food concepts, to fabulous fine dining. Led by our Executive Head Chef Martin Rookard, a gastronomic delight awaits.

The RCP is licenced for wedding ceremonies, as well as for a DJ and live entertainment and our experienced event planners can help you plan, decorate, and create your perfect day.

Our package prices are for food only and are charged per person (Plus VAT).

Please contact the events team to discuss your requirements so that we can tailor your package to include your ceremony (if required) space for your reception and dining, audio and visual requirements, flowers, décor and entertainment.
