Sustainability

At RCP London Events, we are passionate about food that is kind to the planet.

This is why we take a long-term approach to operating in a socially responsible and sustainable way when it comes to our food and beverage offer. In collaboration with our catering partner **Company of Cooks**, we create food that is inventive and memorable and meticulously curate our menus weaving sustainability, wellbeing and health into our offer.

In 2023, Company of Cooks implemented a '**higher welfare purchasing strategy**'. This translates into only using seasonable and local produce on our menus, whilst removing airfreighted items from our supply chain. The fish we purchase and serve is rated MCS 1, 2, 3. Company of Cooks have also built an incredible collection of boutique suppliers, the **London Larder**. The London Larder only includes the best local producers of British meat and cheeses, and suppliers of fresh produce.
