# Sustainable Wines

## Sustainable, vegan wines

We are constantly striving to minimise our impact on the Planet, and we are proud to work with a great collection of quality-focused wine makers who all work with sustainability in front of mind.

Sustainable practices are based on farming that is not only good for the environment but also makes economic sense. Wines are produced in vineyards that practise water and energy conservation, preserve ecosystems and local wildlife. Sustainable wine is growing in popularity, as more people want to be conscious of their food and beverage consumption, including the wine they drink!

## White

**Pazo de Mirasoles, Albariño, Spain, 2023** £31.00  
*This Albariño comes from the warmer, drier region of La Mancha. Biodynamically farmed and impressively grown at high altitudes above 800m to retain the characteristic acidity of the grape, the wine is then fermented using ambient yeasts and aged in inert stainless-steel tanks to preserve the fresh and delicate nuances of the grapes. The nose gives aromas of pungent citrus, tropical fruits and hints of wildflowers. A soft textured palate balanced with its vibrant acidity, apple, lemon and melon, leaves a fruity and harmonious finish.*

**Domaine de la Grand Courtade, Sauvignon Blanc, France, 2021** £32.50  
*Pale lemon in colour with green highlights. A nose of boxwood, grapefruit and a touch of exotic fruits. On the palate, the mouthfeel is lively and expressive with notes of elderflower, white grapefruit, pineapple and passion fruit. A zesty citrus acidity balances the aromatic nature of the wine which finishes with a flinty, mineral note.*

## Red

**Pinot Noir 1620, Lorgèril, France, 2023** £32.50  
*The wines from Pays d'Oc around Carcassonne in Southern France originate from a unique terroir which has been long used in wine production since the Romans inhabited the area. Lorgèrils focus for this elegant wine was to preserve fruit without any oak influence as to not take away from the fresh qualities of Pinot Noir. Intense aromas on the nose, red cherries, raspberries, violets and blackcurrant leaf. A supple palate with a spicy pepper note, smooth tannins, a restrained acidity and a long, fresh finish.*

**Château Fabre 'Cuvée des Jumelles' Corbières, France, 2021** £33.00  
*Since 1771 the Fabre family have been owners of Château Fabre in the heart of the Corbières region of the Languedoc. The present owner, Louis Fabre, continues the ancient tradition and brings his own talents to the estate blend of classic varieties of Carignon, Syrah, Grenache and Mourvedre. The wine is concentrated with the fragrance of wild herbs and red fruits on the nose, lots of dark berry fruits and woodland hints on the palate, backed by subtle oaky spice and soft ripe tannins.*
