Wine List

Sustainable Wines

Sustainable, vegan wines

We are constantly striving to minimise our impact on the Planet, and we are proud to work with a great collection of quality-focused wine makers who all work with sustainability in front of mind.

Sustainable practices are based on farming that is not only good for the environment but also makes economic sense. Wines are produced in vineyards that practise water and energy conservation, preserve ecosystems and local wildlife. Sustainable wine is growing in popularity, as more people want to be conscious of their food and beverage consumption, including the wine they drink!

White

Pazo de Mirasoles, Albariño, Spain, 2023 £31.50
This Albariño comes from the warmer, drier region of La Mancha. Biodynamically farmed and impressively grown at high altitudes above 800m to retain the characteristic acidity of the grape, the wine is then fermented using ambient yeasts and aged in inert stainless-steel tanks to preserve the fresh and delicate nuances of the grapes. The nose gives aromas of pungent citrus, tropical fruits and hints of wildflowers. A soft textured palate balanced with its vibrant acidity, apple, lemon and melon, leaves a fruity and harmonious finish.

Domaine de la Grand Courtade, Sauvignon Blanc, France, 2021 £33.00
Pale lemon in colour with green highlights. A nose of boxwood, grapefruit and a touch of exotic fruits. On the palate, the mouthfeel is lively and expressive with notes of elderflower, white grapefruit, pineapple and passion fruit. A zesty citrus acidity balances the aromatic nature of the wine which finishes with a flinty, mineral note.

Red

Pinot Noir, L'Artiste, VDF Loire Valley, Famille Bougrier, France, 2024 £34.30

Famille Bougrier represents around 800 hectares of vineyards and is one of the last family-owned companies covering the whole of the Loire Valley area. A light cherry red colour with ruby reflections. A nose of red fruits (Morello cherry, red currant) with a floral sensation. The mouth is supple, tender with well-integrated tannins.

Château Fabre 'Cuvée des Jumelles' Corbières, France, 2021 £33.50
Since 1771 the Fabre family have been owners of Château Fabre in the heart of the Corbières region of the Languedoc. The present owner, Louis Fabre, continues the ancient tradition and brings his own talents to the estate blend of classic varieties of Carignon, Syrah, Grenache and Mourvedre. The wine is concentrated with the fragrance of wild herbs and red fruits on the nose, lots of dark berry fruits and woodland hints on the palate, backed by subtle oaky spice and soft ripe tannins.
